Heritage Oak School
Secondary School Supply List
2025-2026

BASICS

- ☐ Backpack or book bag
- ☐ ESV Bible
- ☐ Earbuds – *seniors only*
- ☐ Computer Printer – *Rhetoric students only for home use; no papers will be printed in the school or church office*
- ☐ Student Planner – *provided by school; required use; seniors only may use personal planner*
- ☐ College Ruled Loose Leaf paper (**NO** spiral bound notebooks) – *continuous supply*
- ☐ Pencil/Pen Bag
- ☐ Composition notebook – *continuous supply for science and humanities (2 at a time needed)*
- ☐ 3 x 3 post-it notes – *continuous supply*
- ☐ 3 x 5 Index Cards – *continuous supply*
- ☐ #2 Pencils (with erasers) or Mechanical Pencils – *continuous supply*
- ☐ Black Pens (ballpoint or gel) – *continuous supply*
- ☐ Red Pens – *continuous supply*
- ☐ Highlighters in 3 colors – *continuous supply*
- ☐ Book Covers – *as needed for all hardback books in large to jumbo size*

MATH

- ☐ Graph Paper with 3 holes (1/4" square) – *continuous supply*
- ☐ 1" three-ring binder for completed packets – *must bring to school for all tests*
- ☐ Non-Graphing Calculator – *grade 8 only*
- ☐ TI-84 Plus CE Graphing Calculator – *grades 9-12 only**
- ☐ Compass (quality metal with locking mechanism) – *geometry only*
- ☐ Protractor (transparent) – *geometry only*
- ☐ 12" straight edge ruler

PE

- ☐ Bag for PE Clothes – *Label required on all PE clothing and shoes*

CHOIR

☐ 1” Black three ring notebook

ART

Students in grades 9 and 10 will be required to pay a $30 art fee to Mrs. DeVey for the purchase of specific art supplies. Payment information will be provided on the back-to-school night.

☐ Pocket Folder for holding notes and reference photos

OMNIBUS

☐ 3” three-ring binder

☐ Set of 8-tab dividers – *grade 8 only; Omnibus II*

LATIN I & II

☐ 100-page Composition Notebook (**NOT** spiral bound)

*For ALL math related classes (including Statistics and Economics), students ***absolutely*** need a GRAPHING CALCULATOR. Our Statistics book provides examples of how to solve problems using ONLY a TI-84 Plus, or better, calculator. So, Statistics students are **STRONGLY** encouraged to buy one of the following calculators:*

TI-84 Plus that is $79.95 at Walmart
TI-84 Plus CE is RECOMMENDED: It generates color graphs and is $116.33 on Amazon. (Rechargeable)

You may find other calculators (Older TI's or Casios) that are cheaper, but students will have to learn how to use them either by reading the specific user manual or watching YouTube videos. Students will lose points (receive a lower grade) if they cannot operate their calculator to solve problems!

*Students **MUST** have their calculator on the first day of school.*
